Remain Human

Value Education in the AI Age

PRICE GUIDE FOR SCHOOLS · 2027

A whole year of lessons for less than a notebook

Value education in the AI age, for Std 1 to 10. Choose the licence that fits. We recommend Grow.

Seed

A first step for any school

₹6,000 a year

30 lessons
3 for each Std, 1 to 10

₹12
per child a year

★ Recommended

Grow

The full year for every Std

₹9,000 a year

60 lessons
6 for each Std, 1 to 10

₹18
per child a year

Flourish

Grow, plus more for the whole school

₹12,000 a year

60 lessons
plus whole-school extras

₹24
per child a year

Per child for the whole year, in a school of 500 pupils. Your licence runs to the end of the academic year, whenever you join. Join in the last 60 days of the academic year and you also get the next one.

What your licence really costs

Less than one notebook

With Grow, a school of 500 pupils pays about ₹18 per child for a whole year of lessons. One ruled notebook costs more.

About ₹3 a child per lesson

One Grow lesson costs the school ₹150 for a whole class of 50. That is about ₹3 a child, less than a pencil.

One fee for the whole school

One licence covers every class from Std 1 to 10, all year. No per-teacher or per-pupil charges.

Grounded in universal values: what is true, good, right, just and noble, the values people of every background share.
